

(V1)

When I grow up
When at last I find I'm a grown up
When I cannot climb any higher
What will I be What will I be What will I be

(V2)

When I grow up
When I've finished school and I have to go
When I've learnt the things that I've got to know
What will I be What will I be What will I be

4,3,2,1, blast off!

(CH)

Astronaut Wouldn't it be fun
Flying in the sun And on to Jupiter and Mars
Flying in my spaceship Going any where I want to go

(V3)

When I grow up
Will I want the things that I want today
Will they be the things I'll need on my way
What will I need What will I need What will I need

(V4)

When I grow up
When I've done the things that I tried to do
Will I be someone to look up to
What will I be What will I be What will I be

4,3,2,1, blast off!

(OUTRO)

When I grow up, will my dreams belong to me
When I grow up, what will I be
Will there be hope for me
Does any body know,
which way to go
Cos I want to know
