E C#m  
 Lord I have failed you every day that I remember  
 A F#m  
 I've brought upon you shame, and tarnished your good name  
 E C#m  
 Lord how I've betrayed you, every day that I remember  
 A F#m  
 But you don't seem to care, you just love me standing here

**PC1**

C#m B  
 Anyone but you, would walk away  
 A B  
 Oh if they really knew

**CH**

E B  
 You call my name  
 C#m A  
 You call my name  
 E  
 You call my name  
 B C#m A  
 And I'll never be the same

**V2**

E C#m  
 Nothing I can say, could ever make you turn away  
 A F#m  
 You're constant like the ocean, refreshing like the rain  
 E C#m  
 Lord, I want to take you as my saviour and my King  
 A F#m  
 You don't ask to much, you just want my everything

**PC2**

C#m B  
 Take what I've broken  
 A B  
 I leave it all with you and start again

**CH**

E B  
 You call my name / I have nothing  
 C#m A  
 You call my name / I can give you  
 E  
 You call my name  
 B C#m A  
 And I'll never be the same  
 E B  
 You call my name / I have nothing  
 C#m A  
 You call my name / I can give you  
 E  
 You call my name  
 B C#m A  
 I can't take this love away

**PC3**

C#m B  
 Every single day  
 A C#m  
 I'm carried and I'm taken by the way
