

**(V1)**

D G Bm A D G Bm  
Do you ever wonder  
A D G Bm A  
Wonder what is beyond this big blue  
D G Bm A  
ball  
D G Bm A D G Bm A  
Is there some thing under Some thing  
D G Bm A D G Bm A  
underneath the surface of it all

**(BR)**

G F# Bm F#  
There's one million billion planets spinning out in space  
A E  
Galaxies and galaxies he put them all in place  
Bm F#/A#  
He set them all in motion all the powers that can be  
D E  
It's such a funny notion to think he cares for me  
G A  
Well it's plain to see...

**CH**

D A/D Bm G  
My best friend's the creator of the universe  
D/F# G D/F# G  
Although he's bigger than the milky way  
D/F# A  
He wants to know about my life today  
(D G Bm A) X2

**V2**

D G Bm A D G Bm A  
Do you ever wonder What if  
D G Bm A D G Bm  
A  
God was somewhere up there in the sky  
D G Bm A D G  
What if he was much closer  
Bm A D G Bm A  
Close as your toaster closer than your  
D G Bm A  
tie

**(BR)**

G D/F#  
What if God came down  
Dm/F  
Came to your home town  
E G  
What if God was walking around  
D/F#  
What if it's all true  
Dm/F  
What if God loves you  
E  
What if he was your best friend too?
